Valine: Suppresses appetite

Description

***Recommended Dosage:**
1ML, weekly. Intramuscular

Olympia's Lipo-Mino Mix starts with a special **lipotropics** fat burning combination of *methionine, inositol, choline, carnitine* and *B12*.

Each of these ingredients helps the body turn fat into energy and are also powerful antioxidants.

In addition to the Lipotropics blend, **Lipo-Mino** also contains a mixture of **B vitamins** which further help to facilitate fat loss and increase energy.

The formula is then completed by adding ingredients to **reduce** appetite, **build** muscle and **promote** a healthy immune system.
