

Olympia's Lipo-Mino Mix starts with a special lipotropics fat burning combination of methionine, inositol, choline, carnitine and B12.

Each of these ingredients helps the body turn fat into energy and are also powerful antioxidants.

In addition to the Lipotropics blend, Lipo-Mino also contains a mixture of B vitamins which further help to facilitate fat loss and increase energy.

The formula is then completed by adding ingredients to reduce appetite, build muscle and promote a healthy immune system.
